No matter what holiday you are celebrating, odds are you have a turkey about to burn in the oven, screaming children and a football watching husband, all while you sit atop a pile of catalogs and coupons with no stamina to brave the crowds on Black Friday, Oy vey.

[Your sister just got dumped](#) and is truly Blue knowing she has to play hostess this weekend. A little wine can make her feel fine. [TastingRoom.com](#) offers wine samplers that let you try six mini bottles from Merlots to Zinfandels to samples curated by renowned chefs. Best of all, doB readers can use the promo code doB1CENT to get one cent standard shipping until December 16, 2011.

Take that fiery Red passion you have for making others happy and become the brightest colored light in their lives this season.

Let there be (colorful) light!
