12/22: Toast Of The Town

A bottle of wine is a go-to holiday hostess gift, but those rows of Pinots, Cabs, Zinfandels, Syrahs and Petite Sirahs can feel downright daunting. (What happened to good ol' Merlot?) If you're not so much of a sommelier, then try this international wine sampler with wine from vineyards in South Africa, Walla Walla, Wash., and elsewhere. We'll drink to that!
